Brae Kennel Questionnaire

Our questionnaire and contracts are written to ensure the safety and well being of our puppies. While we take every step possible to make our contract fair for all parties, we understand that there are special circumstances that pop up from time to time. Over the years we have modified our questionnaire and contract numerous times to suit the desires of all parties involved. We provide all potential puppy buyers with copies of our questionnaire, deposit contract and purchase contract and assure that there are negotiable points in most cases. We are, however, steadfast in several of our wishes and will not change these items in our contracts (most specifically, our request that we ALWAYS be notified and allowed to take the puppy or adult back should the need arise). Please feel free to contact us if you have any further questions about our policies or warranties.
